MAN LOSES FOOT UNDER TRAIN HERE

Tries to Alight as Freight Slows Up For Signal

FATHER OF 7

Leo Dahill, Jobless Local Resident, Is Victim

Leo Dahill, 39, Dumbarton Oaks unemployed worker, suffered a badly crushed right foot Monday when he fell under a southbound freight train at the Main street crossing at 8 o'clock.

Surgeons at the Community Hospital, San Mateo, found it necessary Tuesday to amputate the member.

Dahill told Police Chief C. L. Collins that he tried to jump off the train as it slowed up at the Main street crossing for fear it would be going too fast when it passed Buckingham avenue, Dumbarton Oaks, where he planned to get off.

Losing his grip, Dahill fell under the train with the right foot coming in contact with one wheel. He otherwise was uninjured.

The mishap occurred as Dahill sought to save a bag of candy which he was bringing home to the children. He had spent the day in San Francisco looking for work and had been promised employment.

He ended the day visiting with his sister, Mrs. Anna McNulty, 319 Athens street, San Francisco. She gave him the bag of candy and told of the story of his trying to retrieve it as he alighted from the train.

The injured man served in the World War and was gassed.

Dahill has a wife and seven children. He had boarded the train in the Bayshore yards because he was out of funds.

Want to Help?

Stirred by the plight of Mr. Dahill, the American Legion and Veterans of Foreign War posts today are raising funds among fellow service men to assist him and his family. If you want to help, see the service men or leave your contribution at The Tribune office.

Troubles of Employment Group Aired

Local unemployment relief committee men, discouraged by constant complaints of "favoritism" and by almost continuous demands upon their time, to the detriment of their own business interests, seek a solution of their problem.

This was the picture painted by Councilman Charles G. Lambert, a committee member, for his colleagues Monday night at a council meeting in the firehouse.

Carl Stoner and Z. T. Thorning, outstanding in relief work here for several years, offered their resignations at a committee meeting yesterday, it was pointed out.

It was the belief of Councilman Paul McCarthy that the relief committee should continue to function, if possible. The council voiced assurance of its appreciation of the problems encountered by the committee.

Lambert said he would endeavor to arrange an early conference with Stoner, Thorning, Mayor W. J. Dusel, J. E. Morrish, Elmer Rowland, registrar of the unemployed, and others, to see what could be done to improve a perplexing situation.

Shortridge six years ago. During the last election he was in charge of the Republican headquarters in Chicago. Brady Not Seeking Council Re-Election

SAN MATEO, Feb. 20.—Thomas J. Brady, who has served during the past 12 years as councilman and former mayor of San Mateo, announced today that he would not seek re-election in the municipal balloting in April.

Bert Werder, San Mateo county fire warden, will spend the coming week-end in Bakersfield at the annual conference of county fire wardens. The sessions will open Thursday.

Engineer In Defense of Road Work

W. W. Hendricks, aide to former County Surveyor George A. Kneese, today had answered criticisms of Surveyor James S. James on the Haskins Hill-Memorial Park road in declaring before the board of supervisors that the project was carried out in conformity with plans and specifications.

James had reported that the roadway in many places was not wide enough to support a 20-foot pavement. Hendricks said in on instance was the roadway less than 34 feet wide.

Narrowing of the road in spots was due to slides, Hendricks said.

Declaring that an engineer has no method of preventing slides in new cuts, Hendricks cited the present condition of the La Honda road, which, he declared, was a "one way" road in spots. The same thing had occurred on the Haskins Hill road, he said.

"It is a shame to make a criticism of this kind," Hendricks said. "The road when completed was built according to specifications and I am proud I had something to do with it."

James had charged that it cost $6,226 to put the roadway in shape to receive the pavement. James reiterated his charge that the work was not done in accordance with specifications.

No comments were made by the board members.

S. F. Drugstore Holdup Follows Local Robbery

Two robbers who held up a postoffice substation in San Francisco last night and obtained $114 are believed by Police Chief C. L. Collins of Redwood City to be the same pair which Sunday night held up the Lock Drug Company store here and escaped with $125.

The men entered the store, forced S. H. Shortridge, manager, and John Cathode, clerk, into a rear room, and took $62 from the till of the drug store attached. They then forced Shortridge to open the postal safe, from which they took $52. The men left in an automobile.

MOTORIST HELD OVER BOY'S DEATH

Inquest Jury Fails To Fix Blame in Accident

BREAKS DOWN

Testimony Indicates Occupants of One Car Had Drinks

Formal charge of manslaughter was placed against Walter G. Young, 40, San Francisco salesman living at 28 Cavour street, Daly City, today following the fatal accident on the Skyline boulevard late Friday which took the life of Warren Schumacher, 13, Santa Cruz boy.

The complaint was sworn to by Paul C. Barker, 36, of 174 Pacheco street, Santa Cruz, assistant farm advisor of the University of California agricultural extension service. The Schumacher boy was riding with Barker.

At the time of the arrest, Young was booked on a technical charge of manslaughter but was released pending the inquest. The jury today failed to fix responsibility for the mishap, and Barker then swore to the complaint against Young.

Young was rearrested after the inquest and broke down. He did not testify at the inquiry, over which Dr. J. C. McGovern presided in Daly City.

Constable S. A. Landini, Colma, offered testimony in which he said that he had talked with a doctor after the accident and had been informed the men in Young's car "had been drinking."

His companion, Martin Huff, 36 Rice street, San Francisco, testified that they were proceeding at a speed about 35 to 40 miles per hour toward San Francisco. Huff said they had been drinking but that none of the occupants of Young's car was intoxicated.

Barker said Young was driving on the wrong side of the road and that he was forced to swerve to the right to try to avoid the crash.

Carroll Will Contest Here Is Dismissed

The will contest over the "more than $10,000" estate of the late Bernard C. Carroll, vice president of the Pacific Telephone and Telegraph Company, was dismissed today by Superior Judge Maxwell McNutt because of failure of the contestants to post bonds to assure payment of the costs of litigation.

H. P. Wood and Mrs. Frances Wood Rodgers, both of Minneapolis, Minn., half-brother and half-sister, were the contestants.

Carroll left his entire fortune to his widow, Mrs. Maria T. Carroll, 740 Walnut avenue, Burlingame, except for $1500 left to his aunt, Mrs. Sarah Diggles of Berkeley.

Wood and Mrs. Rodgers averred that Carroll was in "fear of his life" and "influenced and controlled" by his wife when he wrote the will on January 5, 1926.

Carroll died in Burlingame, October 31.

Three Children Contest Will of So. S. F. Woman

Revocation of Mrs. Hyland's will, admitted to probate November 3, 1932, was asked by Henry Hyland, Alameda, who got $300; Martin Hyland, San Gabriel, who received $300, and Mrs. Elizabeth Ottenfield, 417 Linden avenue, South San Francisco, given $400.

Defendants are Daniel J. Hyland, 416 Walnut avenue, South San Francisco, named executor, and William J. Hyland, Livermore, who share the bulk of the estate, and Ellen Miller, Chapman, Neb., who received $400.

The creekbed and banks will be cleaned up and shrubs and trees will be set out.

La Honda road—Clear slides, $1600.

Devonshire Hills—Grade and shape existing roads, $800.

WILL CASE TRANSFER APPROVED

The Fresno District Court of Appeal today was given the Henry C. Finkler will contest appeal on a transfer from the state supreme court in San Francisco. Chief Justice William H. Waste signed the transfer.

Finkler, who lived here and was secretary of the California Supreme Court for the past half century, committed suicide by shooting himself on his ranch in the western foothills on November 18, 1930.

His estate, valued at $56,000, was willed to B. G. Taylor and M. J. Purcell, supreme court aides.

Miss Christine Finkler, half-sister, contested the will. A jury in Superior Judge George H. Buck's court broke the will, finding Finkler was of unsound mind when it was written.

Judge Buck set aside the jury's verdict, however. Attorneys J. E. McCurdy, Samuel Knight, Henry Eickhoff and Henry Eickhoff Jr., then brought the appeal.

Burlingame Holds Pair in Coat Theft

BURLINGAME, Feb. 20.—Mrs. Bee Thompson and George Bennett, former Leavenworth convict, were arrested Sunday in San Francisco for local police who charge the two stole a valuable fur coat from a Burlingame department store.

Mrs. Thompson, according to police records, was an associate of Mary Collins, shoplifter, who committed suicide last week by jumping from the roof of the county jail in Santa Rosa. Bennett was released from Leavenworth prison seven months ago.

FIGHT ON TO GET CROSS-COUNTY HIGHWAYS CONSTRUCTED BY STATE

PARKING PROBLEM RECEIVING STUDY OF REDWOOD CITY C. C.

How the parking situation on Broadway between the railroad tracks and El Camino Real may be improved was the chief subject before the traffic committee of the chamber of commerce which met Tuesday evening under the chairmanship of S. A. Abrahams.

All members of the committee were present, including M. F. Hughes, E. A. Rolison, C. L. Dimmitt, D. P. Washburn, William Hohn. J. E. Morrish, president of the chamber of commerce, and C. L. Collins, chief of police, were also present.

It was recognized that the parking problem on upper Broadway is constantly becoming more intricate. Various suggestions for improvement were made, including the possibility of limiting parking to 40 minutes instead of an hour. Most of the members of the committee felt that the limit should remain at one hour, however.

Dimmitt, Washburn and Hohn were appointed as a sub-committee to investigate several specific suggestions for improvement which were made at the meeting. They will report back at another meeting of the general committee to be held Thursday, March 2.

Another subject which was discussed was the possible need of boulevard stops at certain crossings on Broadway, particularly on Broadway where it adjoins Main street. City Manager E. A. Rolison and Chief Collins were asked to look into this matter further and report back at the next meeting.

There was also considerable discussion and numerous suggestions relating to the traffic situation in and about Brewster and Broadway and the circle where the several streets come together at that point. Some further study of the situation will be made in the meantime and recommendations for improvement will probably follow at the next meeting.

Another subject which will be studied will be that of improving parking and the traffic situation around the Southern Pacific depot during the time when the principal commuting trains are arriving or departing.

Retiring some years later he engaged in the life insurance business. At one time Mr. Clark was groomed for superintendent of schools of the county.

Attorney Joseph P. Fallon has disposed of his home at Atherton to D. H. Duncanson, a San Francisco contractor. The estate formerly belonged to A. Macondray, whose father established the first wholesale tea house in San Francisco. The elder Macondray was a prominent figure in the Vigilance committee in 1856.

The J. E. Hill property on Selby Lane was also disposed of this week to Donald Smith, San Francisco insurance broker. Atherton is about the only place on the peninsula that property is moving.

Miss Lucia De Lavaga, whose marriage to Harrell Law Ward will take place the first week in April, is a former Menlo Park girl. Her parents lived near the Sacred Heart convent. She is being entertained at a succession of luncheons and teas and dinners. Mr. Ward's foster mother, Mrs. Lorimer Worden, will go abroad to reside after her son's marriage.

Under the auspices of the Menlo Unit of the National Council of Catholic Women, conferences by Rev. Bernard Burke will be held once a week during Lent in the chapel of Corpus Christi monastery. The first of these conferences will be on Thursday, March 2, at 3 p. m., followed by benediction. Thereafter the conferences will be every Tuesday, (March 7, 14, 21, 28, April 4 and 11), at the same hour. All are invited to attend these services.

Thousands of wild pigeons enjoyed acorns on the oak grove in the White estate on Washington's birthday. This is perhaps the first time in the history of the community when the pigeons came so near town.

Earl B. Brink a native of Wisconsin, aged 65 and a resident of Pine street, Menlo Park, for the past year, passed away on Wednesday following a long illness. The deceased spent the greater portion of his life in the east, holding numerous prominent positions there. He was beloved by his neighbors and all those who knew him. He is survived by his wife and several grown children.

On Wednesday Sister Mary Josephine of Corpus Christi monastery made her profession in the order. The public chapel was crowded with friends to witness the impressive ceremony.

Arrangements are being made for a St. Patrick's Day celebration by a committee appointed some time ago. The program is to be better this year than ever before. George Walsh, the veteran promoter of the entertainment, is hard at work on the program.

The city hall has been dolled up, making it look attractive and beautiful. The walls have been painted a bright color and the furniture rearranged. This improvement was done at the request of the city fathers.

Miss Katharine Donohoe of Menlo Park was elected president of the Woman's City Club of San Francisco at a meeting of the board of directors Monday. Miss Donohoe has always taken a lively interest in the affairs of the club. The young lady is also very active in local activities.

Mrs. C. R. Scott entertained members of a bridge club Tuesday at her home here. Mrs. J. T. Simpkins won high score. Mrs. Fred Metcalf was guest, substituting for Mrs. Louis Rothenberg.

Mrs. J. J. Garland and Mrs. Floyd C. Beach of the Menlo Park Parent-Teacher Association attended the Founders' Day program of San Francisco district federation last Friday at Burlingame.

Miss Ruth Rugaard was the week-end guest of Miss Carmel O'Keefe. Both are attending the San Francisco College for Women at Lone Mountain, San Francisco. The students are permitted to spend their week-ends away from the college.

Bread, Milk Bids Opened By County

Bread at four cents per 1-pound loaf and milk at 25 cents a gallon were offered the County of San Mateo today when bids were opened by Purchasing Agent Ernest Werder. Both bids were accepted.

Werder was struck by the apparent lack of interest of firms in bidding for the county's business. Of 13 leading bakeries requested to submit proposals, only two replied, and of nine leading dairies, two submitted bids.

The Golden Crust Bakery of Redwood City won the bread contract to supply from 2500 to 3000 pounds monthly. The San Carlos Creamery won the milk bid to supply 1700 gallons per month.

Milk and bread supplies are for the Community Hospital, county jail, relief home and juvenile home.

Kneese Sues Over Engineering Fees

George A. Kneese, Redwood City civil engineer, today brought suit to collect $1092.83 assertedly due from Joseph Kurzman and Herman Edwards, developers of the Rochelle Park tract, San Bruno, for engineering services rendered September 2, 1931.

Including the Ocean Shore, Alpine, San Mateo-Half Moon Bay and Redwood City-Pebble Beach projects, a master highway plan for San Mateo county was laid before the California Highway Commission in Sacramento Tuesday.

The board of supervisors authorized Hugh Pomeroy, adviser to the county planning commission, to present the program to the commission, following a meeting of the board here Monday.

San Mateo joined other counties in the state in a spirited contest to have its major cross-county highways taken into the state's secondary system.

The state itself, by senate concurrent resolution No. 7, introduced in the first half of the 1933 sessions, invited the proposals.

Under the plan, the state is considering the acceptance of 6600 miles of new additions to the secondary system. This was recommended by the automobile clubs of California.

The board concurred in the highway commission's recent report accepting the disputed Alpine road, subject of an Inman senate quiz because it passes near the Rolph ranch, and the San Mateo-Half Moon Bay road, which had been taken into the system from the Skyline west to Half Moon Bay.

In addition, the county urges the following additions to these roads and other proposals as follows:

1a. SAN MATEO TO HALF MOON BAY: Third avenue, Crystal Springs road, Sawyer Camp road and Half Moon Bay road; from Bayshore highway at San Mateo to the Coast highway at Half Moon Bay.

1b. ALPINE ROAD AND CONNECTIONS: Willow road, Middlefield road (from Willow road to Ravenswood avenue), Ravenswood avenue, Santa Cruz avenue (including connection from Santa Cruz avenue to Portola avenue via Alameda de las Pulgas), Portola road (from Alameda de las Pulgas to Alpine road), and Alpine road; from Bayshore highway opposite Menlo Park to Skyline boulevard.

2. REDWOOD CITY TO PESCADERA AND PEEBLE BEACH: Main street (Redwood City) Woodside road, La Honda road, Haskins Hill road, Pescadero road, and Pebble Beach road; from Bayshore highway at Redwood City to the coast at Pebble Beach.

3. COAST HIGHWAY: From Skyline boulevard north of Salada Beach to southerly county boundary.

4. GAZOS CREEK ROAD: From California Redwood Park to Coast highway.

5. MISSION ROAD AND GRAND AVENUE: From El Camino Real at Lawndale to Bayshore highway at South San Francisco.

6. EL CAMINO REAL: Portions of the main state highway not now in the state system, and including those portions running through the cities of Burlingame, San Mateo and Redwood City, subject to the approval of the cities involved.

Addition of these roads to the state's first and secondary systems is looked upon by the board as of tremendous importance to the upbuilding of interior San Mateo county.

This question is often heard

"WHY DOESN'T the P. G. and E. REDUCE ITS RATES?"

HERE IS THE ANSWER:

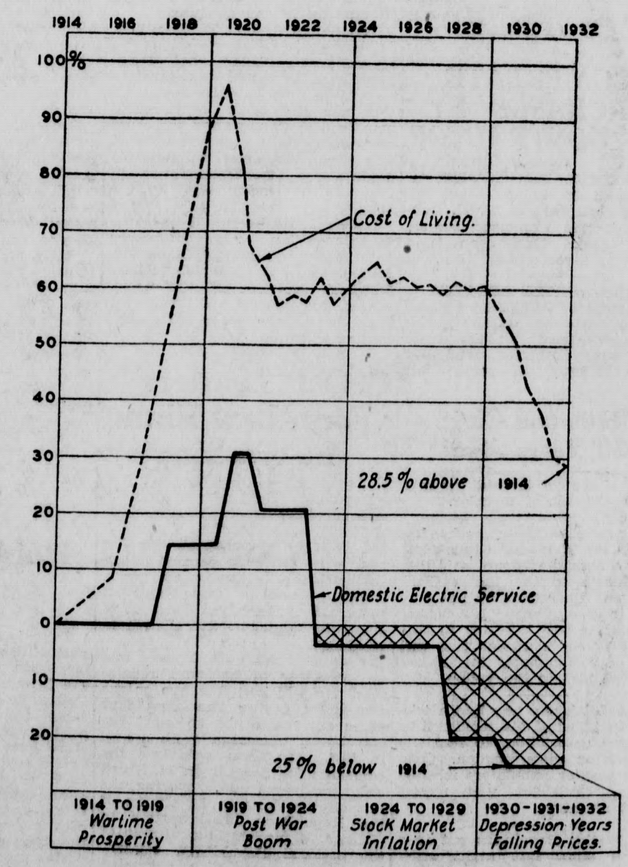
P. G. and E. rates have been reduced, consistently and substantially. They are today among the lowest in the country. The cost of electricity per unit to this company's domestic users is 25% lower than it was in 1914.

Furthermore, the average domestic rate of today is 42% lower than it was at the peak of Post-war Boom prices in 1920, when the abnormal cost of materials and labor forced the cost of electricity to the only rise registered in the rate books of this company. (This rise was but 30.5% above the Pre-war level while Cost of Living in general rose to 96% above Pre-war.)

From 1920 to 1929, the cost of living remained at about 60% above the 1914 or Pre-war basic index. Yet the cost of electricity to domestic consumers was constantly dropping, first to slightly below the Pre-war level and then as early as 1928 to a point substantially lower.

The domestic electric rate had fallen to Depression price before the present economic situation developed. Subsequent rate reductions have established the price of electricity to domestic users as the lowest cost necessity in the home today.

Recent price drops in certain commodities have been sensational, but the general cost of living is still substantially above the 1914 or Pre-war price level. Rates for electricity, controlled to sane levels in times of great prosperity and trending consistently downward since 1920, are lower than at any time in history. As shown on the chart to the right, electric rates show a divergence of more than 53% below present general living costs.



The cost of living has been based directly upon statistics issued by the U. S. Bureau of Labor Statistics for San Francisco. The cost of electricity is based on rates in San Francisco for domestic uses of from 20 to 60 Kw. Hrs. per month. The data for San Francisco may be considered as generally applicable to the entire P. G. and E. system.

2nd Bid for Co. Manager Office Filed

Randall M. Dorton, city manager of Monterey, Monday placed on file with the board of supervisors his application for appointment as chief executive of San Mateo county.

Previously the board had received a written application from Richard E. Savage, 1556 James avenue, this city, a civil engineer. Several others have been mentioned in connection with the position, but have made no formal application.

The board delayed the discussion on the complaint of the Cloverdell Creamery, San Francisco, that it had been barred from serving customers in the northern end of the county, because the dairy's president, Bert Davis, could not be present.

Charges Against Policeman Refuted

Charges made by several Broadway merchants that Police Officer S. E. Douglass was acting as a guard for Belmont dog track money on city time and in violation of the city charter, were denied by the city council Monday, following reports on the matter by the city manager and chief of police.

City Atorney Albert Mansfield said that the accusers were disgruntled because the police had ordered them to remove slot machines from their establishments, and that Douglass was merely the "goat." Another officer is also paid by the race track to escort the money to and from a local bank, but no mention was made of him, or of county officers, Mansfield pointed out.

The guarding takes about half an hour, and is done on the officer's own time, it was stated.

M. C. Byrne Of Woodside Death Victim

Michael Charles Byrne, 70, a pioneer resident of Woodside and member of one of the first families to settle in the Canada district, passed away unexpectedly at his home on the Canada road Saturday evening.

A son of the late Michael and Bridget Byrne, he had lived on the family ranch since his birth there in the early '60s. He was unmarried.

Although his chief interest was in farming, Mr. Byrne was also engaged at intervals in mining, and his few periods away from Woodside were taken up by visits to mining property in Northern California and Nevada.

Mr. Byrne was familiarly known as "Charlie" to his Woodside neighbors. With him at the time of his death was Joseph Gleason, a close friend who had lived at the Byrne home for a number of years.

Mr. Byrne was a brother of William W. Byrne of Woodside, Mrs. Mary A. Fox of San Francisco, and the late John, Edward and James Byrne. He was an uncle of Mrs. Harry Mortola and Harrison F., Charles P. and Marcella Fox, all of San Francisco.

Fish Reduction Boat Waste Hit By Rep. M'Grath

Stating that in his opinion the fish reduction boats from Los Angeles and San Pedro which are operating outside the 12-mile limit off Monterey are wantonly destroying food fish, Congressman-elect John J. McGrath of San Mateo classed these operations as criminally wasteful, in his opinion. "Moreover, I will ask the federal government to entirely eliminate these practices when I take office in congress after March 4," he said.

Monday he was the guest of honor at a banquet tendered him by his friends of the five coast counties comprising his congressional district held in the San Mateo Woman's clubhouse. During his talk he announced that he and Mrs. McGrath were leaving San Francisco Thursday evening for Washington arriving in time for Franklin D. Roosevelt's inauguration.

"Since my election to congress in November I have personally visited the territory which comprises the Eighth Congressional District," he declared while addressing his audience. "In Monterey I saw the dreadful waste of food fish by these reduction boats. They have taken and are taking thousands of tons of sardines from the ocean, converting them into fertilizer. If this practice continues it will mean the destruction of the fishing and canning industry of Monterey just as the wanton killing of buffalo on our plains resulted in their almost total elimination in a comparatively short period of time."

J. P. Aspirant Says Charter Is Doubtful

Questioning whether the county executive provided for by the charter will ever be selected, B. P. Sharon of San Mateo today pressed his application for appointment as the successor of Justice of the Peace John J. McGrath of San Mateo, congressman-elect.

The position would not be filled by the supervisors if the recommendations of the San Mateo County Federation of Improvements Clubs and Associations are carried out.

Sharon expressed a belief the judges cannot act in helping to select a county executive. If no manager can be appointed, the charter will be a mere "conglomeration of disconnected words and phrases," Sharon declares.
